st three squares, but after that he added down, and after the fourth t a Colt reached second.

The trouble began right at the start, hen Keating walked. Woolums was dafe on a scratch hit by the box, and Morrison popped to Pierce. When Bruck walked the bases were full. With Stocksdale up, Mattis piayed in for a short chop, but instead the manager hit a drive between Baker and Martin, and it bounded away from Martin for a three-bagger, the bases being cleared by the hit. In the second Bien got a line on Egan's boot. Brooks walked, and Keating sent them around on a neat sacrifice, and both scored on a wild pitch to the fence.

After that the Shoemakers had several chances, but lost on poor base running.

nning. Baker got a start for the Colts in

Salves, washes, lotions, etc., may relieve some of the itching and other discomforts caused by skin diseases, but such treatment has no effect on the blood and therefore cannot do any permanent good. Until the humor is removed from the circulation the cuticle will suffer the effects of an acrid irritation. S.S.S. is the best and quickets remedy because it is the greatest of all blood purifiers.
